

Mrs. Mary joined TLL in May 2010 in the role of child nutritionist. She brings her previous experience of working with children in the past, from library aide, summer reading program work and lunchroom monitor. Mrs. Mary is enjoying working with the children of TLL after a career in Accounting for which she achieved her Associates of Science in Computer Processing Degree from Navarro College in Corsicana, Texas. Every day Mrs. Mary loves to be around the children.
