

Ms. Allison joined TLL in August 2011. Her role is working with the children as a behavior therapist. Ms. Allison was educated at Oklahoma State University and Sam Houston State University where she obtained a B.S. in Elementary Education and a minor in Special Education. Ms. Allison enjoyed her experience working with children with autism as part of her student teaching. She gained a great insight and passion for the students with autism and a firm belief in the principles of ABA therapy. She particularly loves watching as each child accomplishes each new step.
