

The Learning Lane and the Music Therapy Center of Houston have announced a community partnership to bring the magic of Music Therapy to families in The Woodlands, TX.

Music Therapy Center of Houston is a non-profit music therapy center whose mission is to provide quality music therapy services by board certified music therapists. This partnership will address individual's target needs and goals through successful musical experiences and will promote clinical, scientific and evidence-based music interventions to address therapeutic goals through ongoing research and continuing education through the many aspects of music therapy.

What is Music Therapy? The American Association of Music Therapy defines music therapy as "an established healthcare profession that uses music to address physical, emotional, cognitive, speech/language and social needs of individuals of all ages. Music therapy improves the quality of life for persons who are well and meets the needs of children and adults with disabilities or illnesses."
