

The Learning Lane Employee Mini Bio

Name: Ashley

Position: Acquisition

Please describe your educational / experience background.

Before coming to The Learning Lane Ashley was employed by the Bayes Achievement Center, a group home/school for special needs children. Ashley has worked with special needs children for 4 years. Ashley is currently attending Lone Star College of The Woodlands and will continue her education at Sam Houston State University where she will earn a bachelor degree in early childhood education with a minor in psychology

How long have you worked with The Learning Lane?

Ashley has been with The Learning Lane since July 2008.

Why have you chosen to work at The Learning Lane?

Ashley chose to work at The Learning Lane so she could become more experiences in working with children on the autism spectrum.

What do you like most about your job?

Every day is a new day here. Ashley loves the diversity of our children, and the unique way that the center operates. The kids are given so many ways to learn here; through social classes, pre academic classes that prepare them for kindergarten, and acquisition classes that focus on goals for the individual child.

Ashley also does afterschool tutoring for members of our surrounding community.
